PROGRESS TRACKER

Player Name:

Character:

Total current PP Allocated:

Total current PP Acquired:

Beginning your Character: All characters begin with a starting max of 5 HP and EP, and all 6 element spells. They also start with a max hand size of 5, a max stash size of 3 and a max passive space size of 1. When players create a character, they gain 20PP to spend. Players are free to build and design their character as they see fit.

Note: You may only distribute Progress Points on a Landmark area tile during the Rest phase of the Adventure turn. Doing so does not count as an action.
